

The 5th National BIM Competition 2014

The 5th National BIM Competition 2014, organized by China Association of Construction Education and co-organized by Tsinghua Sware Software Hi-Tech Co. Ltd, was held on 17-18 May 2014 in Nanchang University and Shenyang Jianzhu University. 256 teams from 212 universities in China joined in this final competition. Four BRE undergraduate students from the team “PolyU BRE Bravo” participated in this event (Nanchang University), and won the Third Prize in All-around competition. This is a good opportunity for our students to know more about BIM and its application in China.
