

## Exchange activities in the Universiti Teknologi Shah Alam, Malaysia (UiTM)

During 17<sup>th</sup> to 18<sup>th</sup> March 2010, nine committee members of the Hong Kong Polytechnic University Student Chapter of CIB visited the Faculty of Architecture, Planning and Surveying (FSPU), Universiti Teknologi Shah Alam, Malaysia.

The major objectives of this visit are to share the experience in serving for the CIB Student Chapters, exchange ideas in academic research studies, and pave the way for further collaborations between the CIB Student Chapters of the HKPolyU and the UiTM, Malaysia.

On the first day of the visit, Richard Chen—the President of the HKPolyU Student Chapter of CIB—introduced the history of our Student Chapter and shared the experiencing in running activities for students. Then three of our committee members, including Ms. Crystal, Mr. Allen and Ms. Lisa gave presentations on their ongoing research studies. The CIB student chapter of the UiTM was well impressed by the achievements of our student chapter and proposed several collaboration programs between the two Chapters in the future. On the second day of the visit, three members of the CIB student chapter of the UiTM gave presentations on their research studies. Apart from academic

discussion between two Chapters, our committee members also visited the campuses of the UiTM at Shah Alam and at Puncak Alam, and enjoyed the authentic Malaysia cuisine.
