If Hong Kong's contract, property and employment law are of interest to you, don't miss out the book 'Hong Kong Legal Principles’.

Mr. Stephen Mau’s second edition of Hong Kong Legal Principles is now available. Containing discussion of the legal fields of contract, tort, employment and property, the second edition is an expanded, revised and updated version of the original edition which has sold thousands of copies over four printings.

Published by Hong Kong University Press, Hong Kong Legal Principles has been used for educational purposes at various institutions of higher learning in Hong Kong. Columbia University Press handles the sale of this title in the United States.
