ICCEPM 2015
The 6th International Conference on Construction Engineering and Project Management
"Global Collaboration for Asia’s Construction Challenges"

October 11(Sun) - 14(Wed), 2015
Paradise Hotel Busan · Busan, Korea www.iccep2015.org

Invitation

The 6th International Conference on Construction Engineering and Project Management (ICCEPM 2015) will be held in the beautiful and dynamic harbor city of Busan, Korea, from October 11th to 14th in 2015. Following the successful conferences in Seoul (2005), Singapore (2007), Jeju (2009), Sydney (2011) and LA (2013), ICCEPM 2015 in Busan will further promote international collaboration with Asian construction communities in exploring pioneering research and practices in the areas of construction engineering and project management.

Global collaboration is critical to meet Asia’s upcoming construction challenges. The immense need for building and infrastructure has generated the advancement of modernized construction practices such as sustainable project delivery, international and interoperable standards settings, and knowledge-based communication and process automation. Furthermore, the roles of international owners and A/E/C firms are rapidly evolving to pull demands for continuous improvement in every single construction sector. ICCEPM 2015 will provide the venue to showcase and exchange state-of-the-art CEPM knowledge and lessons learned that promote mutual benefits for researchers and industry practitioners. We extend our warmest invitation to Busan, and hope you can join us to enjoy informative and prestigious meetings with outstanding construction professionals.

About Busan

Busan is Korea's largest port city filled with endless excitement and pleasant surprises. Every year, tens of thousands of visitors from all over the country and around the world flock to Haeundae, Songdo and Gwangalli Beaches to relax or to attend festivals. The city annually hosts the International Fireworks Festival and the Busan International Film Festival, while regularly holding various events at Centum City, the world's largest department store. Other must-see tourist sites include Taejongdae Resort overlooking the sea, Yongdusan Park, Yonggungsa Temple on a cliff, and the Jagalchi Market. You can find more dynamic information on Busan at the Busan Tourism Website (http://etour.busan.go.kr/index.busan).

The 20th Busan International Film Festival (BIFF 2015) will be held a week prior to the conference. It might be a great chance to be a part of this world famous film festival before attending the conference. Please visit the official website of BIFF (www.biff.kr) for more information.
