

## Visit by Institute of Technology of Cambodia 13 – 16 December 2018

Prof. Albert Chan, Head of BRE Department and Dr. Jackie Yang, Postdoctoral Fellow of BRE warmly welcomed Dr. Sarin Chan and Dr. Kinnalesh Vongchanh from the Department of Industrial and Mechanical Engineering, Institute of Technology of Cambodia (ITC). The aim of their visit from 13 to 16 December 2018 was to promote the research collaboration.

Dr. Sarin Chan and Dr. Kinnalesh Vongchanh secured a funding of US\$62,111 for the project titled 'Impact of Heat Stress to Labor Productivity in Garment and Construction Sectors' from the Cambodia Climate Change Alliance. With first-hand research experiences in the award-winning heat stress-related studies, Prof. Albert Chan's research team was invited to provide technical support for this project. During the visit, Prof. Albert Chan and Dr. Jackie Yang shared their hands-on experiences of the execution of experiments and statistical analysis with Dr. Chan and Dr. Vongchanh. The joint force is influential in promoting the welfare of workers in Cambodia.
