5.2 **BSc (Hons) in Surveying and BA (Hons) in Design (Environment & Interior).**

Double-Degree Study Pathways for BSc(Hons) in Surveying and BA(Hons) in Design (Environment & Interior (E&I)) (See Appendix G) jointly offered by the Department of Building & Real Estate and School of Design (entry from the Department of Building & Real Estate (BRE)).

A. Double degrees in BSc(Hons) in Surveying and BA(Hons) in Design (E&I) (Total: 173 credits + 2 WIE + one non-credit bearing co-curricular activity (CCA) recognized by the Student Affairs Office (SAO).)

   Expected duration: 4-year mode or 5-year mode

B. Single full BSc(Hons) in Surveying (97 credits + 2 WIE + one non-credit bearing co-curricular activity (CCA) recognized by the Student Affairs Office (SAO).) and Major in Design (E&I) (58 credits)

   Expected duration: 4 years

C. Double Majors: Major in Surveying and Major in Design (E&I) (Total: 130 credits + 2 WIE + and non-credit bearing co-curricular activity (CCA) recognized by the Student Affairs Office (SAO).)

D. Major in Surveying and Design (E&I) subjects (‘minor’)**

   56 credits in Surveying Major subjects plus 2 WIE and one non-credit bearing co-curricular activity (CCA) recognized by the Student Affairs Office (SAO) + 27 credits in Design (E&I) subjects + 13 credits in Languages and 2 GE subjects = 96 credits and 2 WIE

Not more than five students from BSc (Hons) in Surveying and five students from BA in Design (E&I) will be admitted to the double-degree program, and only those with high GPA will be selected. Students have to indicate their choices of double-degree programme at the end of Semester 1 of Year One, which are subject to the approval of the two offering departments. Aptitude test and interview are required by the Design Department. BSc (Hons) in Surveying double-degree students must follow the designated study pathway of their choice.

* WIE: Work Integrated Education

** ‘minor’: These subjects are open to the double-degree students only. This ‘minor’ is not the University Minor programme.
