# PolyU ranked 16th
in 'Architecture/Built Environment',
QS World University Rankings by Subject

In the latest 'QS World University Rankings by Subject', PolyU ranked 16th in the world and 2nd in Hong Kong for the subject of 'Architecture/Built Environment'.

As one of the contributors to this achievement, we are very delighted that in terms of the two objective measures, 'Citations per Paper' and 'H-index Citations', the scores are 95.7 and 100, respectively.
