

In Loving Memory of our Dear Big Brother Dr Ng Wing-hong **深切懷念我們敬愛的大師兄伍永康博士**

We were deeply saddened to learn the passing away of our beloved 'Big Brother' and one of the first cohort students in our Department, Dr Ng Wing-hong, at the age of 99.

Dr Ng's remarkable devotion to the society and staunch support to the alma mater set an excellent role model for the young generation, particularly our students and graduates. We always miss this Big Brother! Please join us in sending his family our sincere condolences at this difficult time.
