

## Albert's Team Winning Local Grand Prize of CIC Innovation Award

Again, Congratulations to Ir Prof. Albert Chan and his outstanding research team!

In addition to a range of awards they have received before, their project 'Anti-heat Stress Clothing for Construction Workers in Hot & Humid Weather' won 'The Local Grand Prize of The Construction Industry Council Innovation Award'. For the team, Ir Prof. Chan received the award from the Chief Executive, Hon. CY Leung in the Government House on 15 December 2015.

The team deserves a series of remarkable achievements for their enduring hard work. We are so proud of you all!
