

## Research Scholarship for BRE Research Student

Our PhD student, Angel Wang Anqi, is awarded a research scholarship by the Centre for International Cooperation and Mobility of the Austrian Agency for International Cooperation in Education and Research.

Angel is a PhD student of Dr Stanley Yeung, Associate Professor and Prof. Edwin Chan, Associate Head (Research). With the Ernst Mach Grant, Eurasia-Pacific Uninet, Angel will be conducting a comparative study of conservation development in Austria and China during her stay in the University of Vienna from June to November.
