

## 1<sup>st</sup> Class Award went to Prof. Albert Chan's Research Team in the Scientific Advancement Award 2016

The First Class Award (中國建築學會科技進步一等獎) went to Prof. Albert Chan's research team in the 'Scientific Advancement Award 2016' of the Architecture Society of China. In the eight-year collaboration with Southeast University, Nanjing from 2008 to 2016, the two universities' joint research was on 'Life Cycle Analysis of Public-Private-Partnership (PPP) Infrastructure Projects (基礎設施 PPP 項目全壽命期決策與管理關鍵技術研究與應用)'.

Launched in 2014, the Scientific Advancement Award aims to highly praise exceptional scholars and organizations for their innovative technology and applied studies in the construction sector in China.
