Dr Meng NI receiving Outstanding Contribution in Reviewing Awards

To our great delight, Dr Meng NI, an Associate Professor at BRE, has received the awards of "Outstanding Contribution in Reviewing" from 6 excellent Elsevier Journals (see their impact factors and rankings) in recognition of his contribution to the quality of the journals.

The 6 journals are listed below:

1. *Applied Thermal Engineering* (impact factor: 2.739, rank 8/129 in Engineering, Mechanical; 10/137 in Mechanics)
2. *Applied Energy* (impact factor: 5.613, rank 6/135 in Engineering, Chemical; 9/89 in Energy & Fuels)
3. *Energy Conversion and Management* (impact factor: 4.38, rank 3/55 in Thermodynamics; 3/137 in Mechanics)
4. *Chemical Engineering Science* (impact factor: 2.337, rank 42/135 in Engineering, Chemical)
5. *Journal of Power Sources* (impact factor: 6.217, rank 6/89 in Energy & Fuels; 2/28 in Electrochemistry)
6. *Electrochimica Acta* (impact factor: 4.504, rank 4/28 in Electrochemistry)
