

## **BRE Scholars Receiving Accolades in PTeC's Outstanding Professional Services Awards 2016**

Amid roaring applause, our academics including Dr Patrick Lam, Dr Ann Yu and Dr Johnny Wong were granted the remarkable accolades in the Presentation Ceremony of the PTeC's Outstanding Professional Services Awards in February 2017. This big function is a number of honours given annually to recognize great contributions of departments and staff members in the area of consultancy services.

### Team Award – Multi-departmental Participation (Merit Award)

Dr Patrick Lam, Associate Professor and Dr Ann Yu, Associate Professor, together with two CEE academics got the Merit Award for their consultancy project, 'Strategy for Management and Reduction of Construction and Demolition Waste in Hong Kong for the Construction Industry Council'. This project was ranked the second highest contract value for the financial year of 2015/16.
