

'PolyU People Stories 理動人心' Featuring BRE Members To Promote 'Can-do Spirit'

To mark the milestone of the 80th Anniversary and promote the can-do spirit, PolyU first ever rolled out 'PolyU People Stories 理動人心' this year. This mind-blowing campaign will embrace a total of 80 inspirational stories of the 80 members in this big family.

We are excited that in the BRE Community, the uplifting stories of our alumni, the late Dr Ng Wing Hong and Ms Lin Po Heung as well as our Department Head, Prof. Albert Chan are shared through the campaign 'PolyU People Stories 理動人心'. Their stories come with countless acts of determination, hard work and enthusiasm. You may wish to savour every moment of their journeys through the following links:
