BRE Students’ Hard Work Deserving Wonderful Achievement in Cornell CUHK Regional Real Estate Competition 2018 & Invitation to Complete in 10th Annual Cornell International Real Estate Competition in New York

Congratulations! ‘Team Estab’ from our six surveying and property management students got the 3rd place in ‘The Cornell CUHK Regional Real Estate Competition Asia’ in Hong Kong on 8 October 2018 and received the invitation to compete in ‘The 10th Annual Cornell International Real Estate Case Competition’ in New York on 12 to 13 November 2018. Team Estab was composed of Fiona LEUNG Ka Ki, Jessica SEE Hui Ying and Ricky TSANG Chun Wai of our BSc (Hons) in Surveying Programme as well as Hazel LAI Sze Wing, Winnie SO Ka Wing, Irish LEE Hang Hei of our BSc (Hons) in Property Management Programme.

The purpose of the Cornell CUHK Regional Real Estate Competition Asia was to demonstrate the talent of year-three or final-year undergraduate students and judge their capabilities of approaching the questions. Among the eight leading universities from Asia invited to participate in the Competition, all student teams had to make preparations of their analysis, suggestions and presentations within four days after they were presented with a real case of an Asian real estate transaction. The top three winning teams were invited to compete in the 10th Annual Cornell International Real Estate Case Competition in New York on 12 to 13 November 2018.
As the Faculty Advisor of Team Estab, Prof. Eddie Hui says, “It was the first time for our University to join the Competition. We are proud of the students for their hard work and amazing achievement.” Also, Team Estab was very grateful to forward to the Competition in New York.
