

Eddie's Insightful Message on RTHK

Hong Kong's housing supply is a very controversial issue that has been puzzling the general public over the years. In response to the general public's questions, Prof. Eddie Hui, our Professor and the Former Member of the Long Term Housing Strategy Steering Committee, was invited to share his wealth of knowledge in the RTHK Programme '香港家書' on 21 January 2017.

Prof. Hui's thought-provoking sharing had the highlights ranging from the major problems, the Government's short-term and long-term solutions to his views.
