

Prof. Edwin Chan & his Research Team Winning 'Guangdong Best Planning Project Award'

Congratulations to Prof. Edwin Chan and his research team on winning the 3rd prize of 'The Guangdong Best Planning Project Award'!

Under Prof. Chan's leadership, with joint efforts of Sun Yet Sen University, a dedicated team of research members successfully completed a research project related to sustainable city planning in Xiamen and was awarded the prize. As the influential agenda around the world, 'Sustainable City Planning' is one of Prof. Chan's devoted research focuses.
