

Geoffrey & Xue Winning Prizes in 'Genetic and Evolutionary Computation Conference 2016'

Let's have a round of applause for Prof. Geoffrey Shen and Dr Fan Xue.

Prof. Shen, our Chair Professor and Dr Fan, our former Postdoctoral Fellow got the 1st Prize in both sessions 'No Training Track' and 'Short Training Track' of the Combinatorial Black Box Optimization Competition (CBBOC) in the Genetic and Evolutionary Computation Conference 2016 which was held in the USA. As you may remember, they did very well and got the prize last year as well.
