

Stephen Advising Law Students from the Globe

With the expertise, Mr. Stephen David Mau, our Assistant Professor, was invited to advise law students from the globe in the Foreign Direct Investment. Stephen says, “It was my great honour to join this marvellous campaign. I served as the President of the Arbitration Tribunal in this campaign’s International Pre-moot in Sao Paulo, Brazil in late 2016. Approximately, 16 teams of law students competed in this regional pre-moot.”

After that, Stephen took the important roles of the Arbitrator and the Tribunal President in the general rounds and the Arbitrator in the quarter-final round of the global competition in the University of Buenos Aires, Argentina. As one of the arbitrators, in addition to judging, Stephen gave advice to the 53 teams of about 250 law students from 21 countries in terms of their legal oral advocacy skills.

Stephen enjoyed very much sharing his professional knowledge and experience with all participating law students.
