

# Bachelor of Science (Honours) in Property Management

物業管理學(榮譽)理學士學位 (4-Yr Undergraduate Curriculum)  
( Programme Code : JS3442)

## PROGRAMME AIMS

With our very successful history in the construction and real estate education, this programme offers students a professional education in property management with a global and practical perspective, emphasizing not only a wide range of building and real estate subjects but also interdisciplinary approaches in property and housing management, facility management and corporate asset management. The comprehensive training aims to develop students' self confidence and analytical skills which will enable them to deal with the interplay among social, economic, political, legal, technological and commercial issues in the region.

## ENQUIRIES

Telephone : (852) 3400 8121

Applicants may obtain further information on the programme via the Study@PolyU website at [www.polyu.edu.hk/study](http://www.polyu.edu.hk/study)

## CAREER PROSPECTS

In view of the increasing demand for experts in the property management service industry, the requirement for degree or professional qualifications at the managerial level is crucial to the leading organizations in the region. Therefore, employment opportunities rapidly grow for our students. In addition, our strong alumni network and industrial link enable our students to readily find employment in retail, commercial, educational, hospital and cultural developments as well as large housing estates.

## PROFESSIONAL RECOGNITION

This programme satisfies the academic requirements for internationally recognized professional membership of the Royal Institution of Chartered Surveyors (RICS), the U.K., the Hong Kong Institute of Housing (HKIH), the Property and Facility Management Division and the General Practice Division of the Hong Kong Institute of Surveyors (HKIS).
