

Student Exchange Programme

Student Achievements in the Global Arena 開拓國際視野 增加多元化體驗

PROGRAMME AIMS

This programme aims to provide students with an opportunity to broaden their experience, widen their horizons, gain an understanding of other cultures, and enhance their professional and social prospects. The Department of Building and Real Estate has been making strong connections with prestigious universities around the world since 2003.

PROGRAMME OBJECTIVES

The objectives of the programme are to provide students with the opportunity to :

- Learn about a different culture by experiencing it first-hand
- Gain an understanding of personal values, practices and beliefs through interaction with another culture
- Become more independent, flexible, mature, and confident
- Improve language skills by immersing in a foreign language environment
- Make friends with people from different cultural and social backgrounds
- Add a valuable global dimension to university life, which employers find attractive
