CRIOCM 2014
The 19th International Symposium on the Advancement of
Construction Management and Real Estate
(November 07 - 09, 2014, Chongqing China)

Call for Paper (Second Announcement)

The Chinese Research Institute of Construction Management (CRIOCM) in collaboration with Chongqing University (CQU) has the pleasure to invite academics, researchers, professionals to participate in CRIOCM 2014, the 19th International Symposium on "Advancement of Construction Management and Real Estate" during 7-9 November, 2014 in Chongqing China.

Chongqing is one of four municipal cities in China. She has a long history of over 4000 years, and she is the ancient center of Chinese Bayu Culture. The mega-city Chongqing has a population of 32 million, located at Southwest China with a beautiful island, towering mountains and fantastic river valleys. She has been experiencing rapid development to be the economic centre of the upstream Yangtze basin, a modern manufacturing base and transportation center and communication hub in the areas of Southwest China.

The previous 18 annual CRIOCM Symposiums have laid solid foundation for CRIOCM 2014. We cordially invite you to contribute papers and to attend the conference. We look forward to seeing you over CRIOCM 2014 in Chongqing.
I. Main Symposium Themes

Theme I: Sustainable Urbanization (CM01)
Theme II: Sustainable Construction (CM02)
Theme III: Urban Construction and Management (CM03)
Theme IV: Affordable Housing (CM04)
Theme V: Urban Land Development and Utilization (CM05)
Theme VI: Management for Large Infrastructure Projects (CM06)
Theme VII: Green Construction Materials and Construction Waste Management (CM07)
Theme VIII: Development and Management for Mountainous Towns (CM08)
Theme IX: Advancement of Construction Project Management (CM09)
Theme X: Redevelopment in Disaster Areas (CM010)
Theme XI: Law and Policies for Construction and Real Estate (CM011)
Theme XII: Information Technology for Construction Management and Real Estate (CM012)
Theme XIII: Other Topics (CM013)

II. Submission of Papers

1. Paper Format
   - All papers must be written in English. References in Chinese and other languages should be translated into English.
   - The length of paper should not exceed 10 pages (including tables and diagrams).
   - Detailed formatting instructions are available at http://www.bre.polyu.edu.hk/criocm.
   - One author should not submit more than 2 first-authorship papers.
   - Paper preparation should comply with the editing formats by using Microsoft Word 2003 or advanced version.

2. Abstract and Paper Submission
   - Authors should submit abstracts and papers to criocm2014@163.com. Abstract should not exceed 200 words.
   - The number of authors in a paper is limited to 3 (with titles, academic degree, research interest, contact and Email address).
   - Authors should indicate the theme/s that their papers relate to, e.g. CM02 - Sustainable construction.
   - Papers will be assessed and selected through a peer review process.
3. Deadlines
- May. 20th, 2014  Abstract submission
- Jun. 30th, 2014  Full paper submission (no more than 10 pages in Springer format)
- Aug. 10th, 2014  Notification of paper acceptance
- Sep. 10th, 2014  Final paper submission for publication

III. Paper Publication
- All accepted papers will be included in the Conference Proceedings which is to be published by Springer Publications. Proceedings will be submitted to ISTP Catalog for indexing. Inclusion of the Proceedings in EI Catalog is to be processed by Springer Publications.
- Quality papers will be considered for development for publication in a Special Issue of International Journal of Construction Management.
- Best papers will be awarded CRIOCM 2014 Best Paper Prize.

IV. Agenda
- Registration  Friday, Nov. 7, 2014
- The 1st day  Saturday, Nov. 8, 2014
- The 2nd day  Sunday, Nov. 9, 2014

V. Organizers
The Chinese Research Institute of Construction Management
Chongqing University

VI. Executive Organizers
Faculty of Built Environment, Chongqing University
School of Construction Management and Real Estate, Chongqing University
International Research Center for Sustainable Built Environment, Chongqing University

VII. Co-organizers
Bond University, Australia
University of Florida, USA
Montreal University, Canada
University of Western Sydney, Australia
VIII. Symposium Registration

The conference registration fee covers: 1) expense for paper publication; 2) costs for conference documents; and 3) expenses for meals during the conference. The conference fee does not cover cost for hotel rooms.

(A) Registration on or before Aug. 30th, 2014:

• RMB 2500/person or US$ 350/person (normal delegate, paper included in Proceedings)
• RMB 2000/person or US$ 320/person (CRIOCM Members who will also pay RMB 500 for annual membership fee, paper included in Proceedings)
• RMB 1500/person or US$ 200/person (attending symposium only)

(B) Registration after August 30th, 2014:

• RMB 3000/person or US$ 420/person (normal delegate, paper included in Proceedings)
• RMB 2500/person or US$ 350/person (CRIOCM Members will also pay RMB 500 for annual membership fee, paper included in Proceedings)
• RMB 2000/person or US$ 320/person (attending symposium only)

(C) Registration for Students

Student with a valid study ID card and an official letter of student status verification can get a free of expense for paper publication and costs for conference documents. But RMB 300/person should be paid if you need meals during the conference.

Once full paper is accepted, registration form including fee payment instruction will be emailed to symposium attendees.

CANCELLATION AND TRANSFER POLICY: If you are unable to attend, a substitute participant/presenter is allowed at no extra cost, provided that written notice is given one month prior to the
event. Any refund owing to cancellation will not be entertained.

Information of Remittance:
Name of Bank: BANK OF CHONGQING Chong Da Sub-Branch
Account No. : 480101040000460
Account Name: Chongqing University (Please remark CRIOCM2014)

IX. Advisory Committee (alphabetical order)
Prof. Ming Lai, The Central Committee of the Jiu San Society, China
Prof. Roger Flanagan, University of Reading, UK
Prof. Abdol R Chini, University of Florida, USA
Prof. Jiayuan Wang, Shenzhen University, China
Prof. Changchun Feng, Peking University, China
Prof. Hongyu Liu, Tsinghua University, China
Prof. Hong Ren, Chongqing University, China
Prof. Xuebin Hu, Chongqing University, China
Prof. Qiming Li, Southeast University, China
Prof. Wanmin Zhao, Chongqing University, China
Prof. Qiping Shen, The Hong Kong Polytechnic University, China
Prof. Roger-Bruno Richard, Universite de Montreal, Canada
Prof. Stuart D Green, University of Reading, UK
Prof. Miroslaw J Skibniewski, University of Maryland, USA
Prof. Rodney Turner, International Journal of Project Management, UK
Prof. Donglang Yang, Xi'an Jiaotong University, China

X. Organizing Committee

Chairman
Prof. K W Chau, The Chinese Research Institute of Construction Management
Prof. Hong Ren, Chongqing University

Executive Chairman
Prof. Liyin Shen, Chongqing University

Secretary-General
Prof. Yuzhe Wu, Secretary-General, CRIOCM

**Executive Secretary-General**

Dr. Kunhui Ye, Chongqing University  
Dr. Chao Mao, Chongqing University  
Ms. Na Chen, Chongqing University

**Members (alphabetical order)**

Prof. Guiwen Liu, Chongqing University  
Dr. Wilson W S Lu, The University of Hong Kong  
Dr. Vivian W Y Tam, University of Western Sydney  
Dr. Ting-Kwei Wang, Chongqing University  
Prof. Zhigang Wu, South China Normal University  
Prof. Pengcheng Xiang, Chongqing University  
Dr. Zongjie Xie, Chongqing University  
Dr. Bo Xu, Chongqing University  
Dr. Pengpeng Xu, Chongqing University  
Dr. Michael Yam, The Hong Kong Polytechnic University  
Dr. Gui Ye, Chongqing University  
Dr. Mingxuan Yu, Renmin University of China  
Dr. Kevin G M Zhang, RMIT University  
Prof. Shilian Zhang, Chongqing University  
Dr. X L Zhang, City University of Hong Hong  
Prof. Bin Zhao, Chongqing University  
Prof. Zhenyu Zhao, The North China Electric Power University  
Dr. Jian Zuo, University of South Australia

**XI. International Scientific Committee**

**Chairman**

Prof. Changchun Feng, Peking University

**Members (alphabetical order)**

Prof. Chimay J Anumba, Pennsylvania State University, USA  
Prof. David G Carmichael, The University of New South Wales, Australia  
Prof. Hu Cheng, Southeast University, China
Prof. Adnan Enshassi, Islamic University of Gaza
Prof. Alan Griffith, Sheffield Hallam University, UK
Prof. Shan Hai, Nanshan Construction Quality Inspection Center, China
Prof. Miklos Hajdu, Szent Istvan University, Hungary
Prof. Yamin Hong, Capital University of Economics and Business, China
Prof. Per-Erik Josephson, Chalmers University of Technology, Sweden
Prof. Craig Langston, Bond University, Australia
Prof. Yun Le, Tongji University, China
Prof. Anita M W Liu, The University of Hong Kong, China
Prof. S P Low, National University of Singapore, Singapore
Prof. Hanbin Luo, Huazhong University of Science and Technology, China
Prof. F F Ng, The University of Hong Kong, China
Prof. Steve Rowlinson, The University of Hong Kong, China
Prof. Mona Shah, National Institute of Construction Management and Research, India
Prof. Qian Shi, Tongji University, China
Prof. Dalu Tan, Sichuang University, China
Prof. Yaowu Wang, Harbin Institute of Technology, China
Prof. Xueqing Wang, Tianjing University, China
Prof. Yu Yang, Chongqing University, China
Prof. Bingyuan Yi, Construction Economy Journal, China
Prof. Yilin Yin, Tianjin University of Technology, China
Prof. Mengjun Wang, Central South University, China
Prof. Yousong Wang, South China University of Technology, China
Prof. Yongxiang Wu, Harbin Institute of Technology, China
Prof. Maozeng Xu, Chongqing Jiaotong University, China
Prof. Saixin Zeng, Shanghai Jiaotong University, China
Prof. Hong Zhang, Tsinghua University, China
Prof. Hong Zhang, Zhejiang University, China
Prof. Zhihui Zhang, Tsinghua University, China
Prof. George Zillante, The University of Adelaide, Australia
Prof. Patrick X W Zou, University of Canberra, Australia

XII. Conference secretariat
Jingyang Zhou; Bei He; Liudan Jiao; Xiangnan Song; Li Yan; Shibei Wang; Jia Yang; Liu Wu
XIII. Guest speakers

**Geoffrey Q.P. Shen, Professor:**
Chair Professor of Construction Management, Associate Dean of Faculty of Construction and Environment & Head of Department of Building and Real Estate. Scheme Chairman, Postgraduate Scheme in Construction and Environment, Chairman, Learning and Teaching Committee of Faculty of Construction and Environment

**Ren Hong, Professor:**
Dean of Faculty of Construction Management and Real Estate, Chongqing University; Committee member of The Academic Degrees Committee of Chongqing University; Director of the committee and member of Professional Teaching Guidance Committee of Higher engineering management discipline of Ministry of Construction; Deputy Director and member of Professional Teaching Guidance Committee of Civil engineering disciplines Ministry of Construction and Ministry of Education; Deputy Director and member of Professional assessment committee of Higher engineering management discipline of Ministry of Construction; Member of Professional Teaching Guidance Committee of Management Science and Engineering Discipline of institution of higher learning of Ministry of Education.

**Liu Hongyu, Professor:**
Professor in Real Estate and Construction, Tsinghua University; Director, Hang Lung Center for Real Estate; Associate Dean, School of Civil Engineering; Honorary Professor, The University of Hong Kong (2000 to present); Fellow and Vice President, China Institute of Real Estate Appraisers and Agents; Executive Director and Vice Chair of Research Committee, China Real Estate Association; Chairman, Specialist Committee of Housing Policy, Ministry of Housing and Urban Rural Development; Executive Director, Global Chinese Real Estate Congress (GCREC); Director, Asian Real Estate Society (Past President 1999/2000); Fellow member of RICS, Academic Fellow Member of the Urban Land Institute; Member of Editorial Board, Journal of Real Estate Research

**Makarand Hastak Professor:**
Head of Construction Engineering and Management / Professor of Civil Engineering; Editor-in-Chief of the ASCE Journal of Management in Engineering; Chair of the National Consortium of Housing Research Centers (NCHRC) (2008-2010); Prof. Hastak conducts research, taught, and assisted industry in the area of construction engineering and management including disaster risk reduction, infrastructure management, cost control, project management, management decision making, risk management, and strategic planning; He has established a research lab at Purdue University called SPARC (Solutions for Profitability and Assessment of Risk in Construction). His group at the SPARC lab has been engaged in cutting edge research in these areas funded by several federal, state, and private agencies.
Stuart Green Professor:
Head of School of Construction Management and Engineering, University of Reading.
External Responsibilities:
Chair of CIOB Innovation and Research Panel.
EPSRC Strategic Advisory Team (SAT) for innovative manufacturing (2003-2004)
EPSRC Sector Target Advisory Group (STAG) for the IMI, MCNS and LINK-IDAC research programmes (2000-2001).
Commissioner, Commission for a Sustainable London 2012 (2007-date).
Referee for numerous national research councils: Engineering and Physical Sciences Research (EPSRC); Economic and Social Research Council (ESRC); National Science Foundation (USA); Research Grants Council (Hong Kong); Research Council of Norway.

Roger Flanagan Professor:
School of Construction Management and Engineering, Engineering, University of Reading
Visiting Professor: Tsinghua University, Beijing; Universiti Teknologi Malaysia, Johor Bahru; University of New South Wales, Sydney, Australia; Chalmers University of Technology, Gothenburg, Sweden
Guest Professor, Chongqing University, China; Tianjin University, China
Past President of the Chartered Institute of Building (CIOB) 2007
Previously Non-Executive Director of companies in the UK and overseas, including Skanska AB (parent company of the Skanska Group world wide) and the Halcrow Group.

Roger-Bruno Richard Professor:
Roger-Bruno RICHARD, M.Arch. (U.C. Berkeley), Architect registered in Quebec (OAQ), is Professor of Architecture at the Université de Montréal, leading the Design & Systems for Construction (DSC) profile in the professional M·Arch program and teaching Architectural Design / Industrialized Building Systems / Housing. He was Director of that School for a period of ten years (1989-1999) and President of the Canadian Architectural Certification Board (CACB) in 1997-98.

George Zillante Professor:
George Zillante is Associate Professor and Head of Construction & Project Management at the University of South Australia. He has qualifications in Architecture, Urban & Regional Planning, Building Surveying, Business Administration and Construction and has worked (and continues to work) at the professional level in those fields. George is also a member of several Professional Bodies (RICS, AIBS, ACCE etc) and serves on a number of Education and Accreditation Committees.
