CALL FOR PAPERS

The International Symposium

on

“Advancement of Construction Management and Real Estate”

[Experience sharing among delegates from China mainland, Hong Kong and Macau]

6-7 December 2004

Hong Kong, China

The focus of the symposium is on the innovation in construction and real estate in mainland China, Hong Kong, and Macau, especially after China’s entry to WTO. The delegates from the Ministry of Construction of China will be invited to attend the symposium to share practical experience of construction management in particular on project cost management. The symposium is to provide a forum for discussion and interaction between researchers, practitioners and educators in the relevant areas.

Main Theme
1. Procurement and management for public sector construction projects
2. Influence of China’s entry to WTO to the practice of construction and real estate in China Mainland, Hong Kong and Macau
3. Contract and risk management for construction and real estate
4. Latest trends in real estate market in China Mainland, Hong Kong and Macau
5. IT application in construction and real estate
6. Sustainable development in construction and real estate

Submission of Papers
1. Language: Chinese or English (with paper title, author affiliation, key words and abstract in both Chinese and English)
2. Paper size: 3000 - 5000 words
3. Deadlines:
   • 31/05, 2004: Paper abstracts (not exceeding 250 words in electronic version)
   • 25/06, 2004: Notification of acceptance of paper abstracts
   • 01/10, 2004: Final paper submission (must submit an electronic version)
Conference Organizer

The Chinese Research Institute of Construction Management

The Chinese Research Institute of Construction Management (CRIOCM) is registered under the Hong Kong Societies Ordinance. It is a non-profit society that serves the construction and real estate industries in the areas of research, education and management in mainland China, Hong Kong and other regions. The aim of CRIOCM is to play a bridging role between mainland China, Hong Kong and the international context in undertaking research and academic activities in the fields of construction and real estate, and to promote the development of construction and real estate industries in China Mainland and Hong Kong.

Wu D H, Chongqing Construction Commission
Wu H S George, HCCG China Holdings Ltd
Zhang Kai, Shenzhen Professional Audit Bureau of Government Investment
Zhang Yuan-hui, Shenzhen Changcheng Real Estate (Group) Co., Ltd
Zhou Liang-jun, Daliang Wanda Co., Ltd.

Secretariat
Tam W Y Vivian
Tan Y T
Wong W H Franky

International Scientific Committee

Chairman
Drew D S, The Hong Kong Polytechnic University

Members (alphabetical order)
Best R, University of Technology, Sydney
Chen Hu, Southeast University
Cheung S O, City University of Hong Kong
Fang D P, Tsinghua University
Fellows R, University of Hong Kong
Fisher N, University of Reading
Fox P, The Hong Kong Polytechnic University
Griffith A, Sheffield Hallam University
Hui C M Eddie, The Hong Kong Polytechnic University
Lam K C, City University of Hong Kong
Lam T I Patrick, The Hong Kong Polytechnic University
Langston C, Deakin University
Li Heng, The Hong Kong Polytechnic University
Li Q M, SouthEast University
Lin Jian, Peking University
Liu Chunlu, Deakin University
Liu Gui-wen, Chongqing University
Liu Jiang-tao, Remin University
Liu Y S, Beijing Jiaotong University
Lu M, The Hong Kong Polytechnic University
Shen Q P Geoffrey, The Hong Kong Polytechnic University
Shi Qian, Tongji University
Skibniewski M J, Purdue University
Tam C M, City University of Hong Kong
Wang S Q, Tsinghua University
Wong K W Francis, The Hong Kong Polytechnic University
Yan H, The Hong Kong Polytechnic University
Ye Jian-ping, Remin University
Zeng Sai-xing, Shanghai Jiaotong University
Zhang H, Tsinghua University
Zhang Shi-Liang, Chongqing University
Conference Registration Fee

The conference registration fee:
- HK$3,000 per person (for normal delegate, with paper published in proceedings)
- HK$1,500 per person (for delegates with attendance only)
- HK$1,000 per person (for students)

Payable to “The Chinese Research Institute of Construction Management”

The registration fee covers conference registration, proceedings, and conference lunch.

Conference Language

Chinese/English according to needs
